Over the past 34 years, Emmaus has helped more than 35,000 children, men and women out of homelessness and into permanent housing. Located in Haverhill, MA, we help families and individuals secure homes and give them the tools they need to be self-sufficient.

Each night, 300 people will call Emmaus home. This past year alone we served 1,626 people, of whom 738 were children. Emmaus also owns and operates 100 units of permanent affordable housing for those who were formerly homeless.

This year, as a result of the COVID-19 pandemic, Emmaus was faced with hundreds of thousands in unanticipated expenses related to additional cleaning and safety measures. We continue to provide a safe space for those without homes to shelter and remain virus-free. Money raised from “Sip, Sample & Support” will help us continue to provide these life-saving services. Of every dollar raised, 91 cents goes directly into our programs.
